

Dear Colleagues

We are pleased to inform you that the third WCI workshop will be held from February 12 to 16, 2005 in College Station, Texas.

As planned in the WCI meeting following the Gordon Conference, the third workshop will focus on the preparation of the WCI book describing the goals, the achievements, the open questions and perspective of our field.

To insure that your ideas will be fully taken into account your participation is essential.

You can already register via [www](http://www.cyclotron.tamu.edu/wci3/) or using the attached form. Please do it ASAP to help the organization. Please indicate your preference for hotel rooms on the registration form. We will make the reservations.

For the WCI steering committee
