

# CICADA

Cyclotron Institute Cultural Awareness  
and Diversity Assembly

April 20, 2023

Hello everyone!

It's been a busy semester, but we'd like to draw your attention to the following items:

- We will be hosting a roundtable discussion on recognizing religious diversity with faculty members who are of various faiths from the TAMU Department of Global Languages and Cultures on **Wed, April 26th at 12pm in the seminar room**. Please RSVP to Paula by 3pm on April 21st with any dietary restrictions if you'd like a lunch ordered, or feel free to bring your own!
- April is Sexual Assault Prevention & Awareness Month – TAMU Health Promotion has put together a list of resources and events, [found here](#).
- April is also Celebrate Diversity Month, Autism Awareness Month, and Earth Month!
- Be on the lookout for announcements about the April birthday party date/time as well as a special event to celebrate Dr. Yennello being named a Distinguished Professor!
- Just a friendly reminder about the Primary Care Grants to help offset the cost of caring for a family member when you attend conferences or work on experiments – the application is available as a hard copy on the bulletin board or the CICADA [website](#).

If you have any thoughts or ideas that would help make the CI a better place, please let one of us know in person, via email, or anonymously at our physical or [digital](#) suggestion boxes!
