

CICADA

Cyclotron Institute Cultural Awareness
and Diversity Assembly

March 7, 2023

Hello everyone!

Thank you to all who have been engaging with us by attending discussions and contributing to the suggestion boxes. We're doing our best to address the items we are able to in a timely manner. Here are a few items that are hopefully of interest and educational value as we get into the new month:

- March is Women's History Month, and the TAMU Libraries have put together a research guide with multiple types of media resources, [link found here](#).
- International Women's Day is on March 8th, and the theme for this year is #EmbraceEquity. Learn about the difference between equality and equity here: <https://www.internationalwomensday.com/EquityEquality>.
- It's a new month, so another birthday party! Be on the lookout for an announcement about the March birthday party date/time – please attend, even if only for a few minutes to say hello and enjoy some snacks!
- There are holidays for multiple faiths and cultures occurring this month, including Lent, Ramadan, and Holi. Check out the CICADA bulletin board for a list of holidays and let us know if there are any that we should add – we hope to update this ~monthly!

If you have any thoughts or ideas that would help make the CI a better place, please let one of us know in person, via email, or anonymously at our physical or [digital](#) suggestion boxes!
