

CICADA

Cyclotron Institute Cultural Awareness
and Diversity Assembly

Week of October 3, 2022

Hello everyone!

The members of CICADA will be sending out short newsletters 1-2 times per

month on topics relevant for inclusion and community building. Here are some things we'd like to share with you this week:

- Please follow the [CI Twitter account](#) to get information on upcoming events around the CI. Also, be sure to add our [CI seminar Google calendar](#) to your own!
- Thank you to all who came by for our first community building discussion on cultural competence. Please let Emily or Cody know if you would like a copy of the slides from the presentation!
- There will be an announcement about the October birthday party - please attend, even if only for a few minutes to say hello and enjoy some snacks!
- Be on the lookout for an email with information on how to submit 'good news' to be shared via email to the CI - publication highlights will also be posted on Twitter!
- Remember that Sept 15 through Oct 15 is Hispanic Heritage Month - see the Dept. of Multicultural Services [website](#) or the Hispanic Presidents' Council [website](#) for more information on local events

As always, if you have any thoughts or ideas that would help make the CI a better place, please let one of us know!
