

CICADA

November 18, 2022

Hello everyone!

It's been rather busy as we get toward the end of the semester, but there are a few

pieces of news that we wanted to make sure to share:

- The November birthday party will be on Mon, Nov. 21st at 3pm in the seminar room - please stop by to say hello and enjoy some snacks!
- We have a website! Please visit <https://cyclotron.tamu.edu/cicada/> to access seminar announcements, past newsletters, and other helpful links. It's a work in progress, but we hope to make this a useful resource for the CI community.
- We are in the final stages of getting a climate survey for CI staff and students set up - please watch your email for instructions on how to complete this important survey!
- Save the date for the Cyclotron Institute holiday party on Dec. 7th at 6:30pm at the 7F Lodge - this is open to employees and family! Please RSVP to Paula by 5pm on Mon, Nov. 21st and include any dietary restrictions.
- November is Native American Heritage Month, please visit the Library of Congress website to learn more about conversations and events in regard to indigenous American identities and cultures: <https://nativeamericanheritagemonth.gov/>.

As always, if you have any thoughts or ideas that would help make the CI a better place, please let one of us know!
