Cyclotron Institute Cultural Awareness
and Diversity Assembly

June 21, 2023

Hello everyone!

We hope the summer has been treating you well! While we don't have any upcoming CICADA events this month, here are some things we would like to share with you:

- This past Monday, June 19th, we celebrated Juneteenth. You can read more about this important holiday from a TAMU professor of African American history [here](#).
- June is LGBTQ+ Pride month! Visit the TAMU LGBTQ+ Pride Center [website](#) for a list of helpful resources and community events.
- Just another friendly reminder about the Primary Care Grants to help offset the cost of caring for a family member when you attend conferences or work on experiments – the application is available as a hard copy on the bulletin board or the CICADA [website](#).
- We will begin our monthly CICADA events again this Fall. If you have any suggestions or topics you would like us to address, please let us know!

If you have any thoughts or ideas that would help make the CI a better place, please let one of us know in person, via email, or anonymously at our physical or [digital](#) suggestion boxes!
