RE: Student Oral Thesis Progress Presentations

I have scheduled the oral presentations of the graduate students listed below. These students are asked to submit their written 1-2 page thesis progress report by e-mail to me and to Leslie Speikes at least two weeks prior to the presentation. The report, written in consultation with the thesis advisor, should describe the proposed investigation, the progress made thus far, and the plan for the near future. The time allocated for a presentation is 20 min with additional 5 min. for questions.
